### Návod

Musíme si uvědomit, jaký tvar minulého času nahrazuje čas přítomný. **Mluvíme o letních prázdninách, o tom co bylo.**

Každý dostane jeden sáček nebo jednu obálku.

V obálce je jeden řádek, rozstříhejte ho na kousky:

Now I am at home. In summer I was in the Šumava.
